## **Emergency alert**

A UK-wide emergency alert test will take place on Sunday, September 7, 2025 at 3pm.

Mobile phones will emit a loud siren and vibrate - even if they're on silent.

Whilst these alerts aim to protect the public in emergencies, they could put victim-

survivors of domestic abuse at risk — especially those who rely on hidden phones as part of their safety plan.

Please note, you CAN opt out of this test.

If you need to disable alerts for safety reasons, follow the steps here:
